

# PAY ENVELOPE ROAD SALE OF U.S. STAMPS

Printed Slips Explaining  
Thrift Campaign Pre-  
pared by Committee.

Thousands will receive in their next pay envelope a plea to buy war savings and thrift stamps.

Printed slips made to go into pay envelopes were distributed yesterday by the war savings stamp campaign committee to many department stores and other business firms. The slips are printed on both sides.

"Save Money and You Save Lives," is the message on one side, while on the other is: "If you buy things you do not need you are taking goods and services from our fighting forces. You should buy only the things you can not do without. Then lend your money to the government."

"The government can use that money to get the goods and services needed to supply the army and navy with the food, clothing and ammunition they must have in order to win the war."

"Let a company of savers back every company of soldiers."

**Drug Stores to Help.**

Four hundred drug stores received letters and literature from the committee headquarters yesterday requesting them to make application for agencies. Distribution of literature to all the Catholic clergymen in the city was also made. Stickers for automobile wind shields will be distributed by the American Automobile Association and all the taxicabs will carry them.

The speaking campaign in the theaters continued last night, with M. M. Wyvill addressing the audience at the Belasco Theater; Ros Fulkerson at Poli's, Roy J. Neuhauser at the National, Edward F. Colladay at Keith's and Charles W. Darr at the Gayety.
